Fab Foot Fun

First of all I would like to say that I think your mag is one of the best mags you can get from the top shelf of any newsagents, and that it gives me and my wife a great deal of fun and pleasure.

I know that there are a lot of foot lovers out there, and yes you have cracked it, I am one of them. I simply love stocking - clad feet and painted toe nails. Tanya, my wife, has fantastic feet, she always wears stockings and paints her toe nails and loves to show them off whenever she can.

The other night when I came home from work, Tanya was waiting for me all dressed up in her sexy undies. She had on a black basque, black stockings and a lovely pair of red peeptoe sandals with four inch heels. She looked great, and she told me to kneel down and kiss her toes or she would not give me my surprise.

I quickly knelt down and started to kiss her lovely painted toe nails and smell the sweet odour of her sexy feet. Tanya then took me to the bathroom and started to run the bath for me. While it was filling up she slowly undressed me and started to rub my cock. It wasn't long before it became hard and stiff. By now the bath was ready, so I climbed in; Tanya washed me all over, then told me to lie back and relax.

She slowly removed her red sandals and sat on the edge of the bath with her stockinged feet in the water. She then took hold of my erect cock between her toes and started to masturbate me with her feet. It wasn't long before I started to come, so she stopped quickly and told me to get out and dry myself.

Tanya then led me into the bedroom and sat me on the edge of the bed. She knelt down in front of me and lifted my feet onto her silky thighs. She then put little balls of cotton wool between my toes and started to paint my toe nails. Tanya was really turning me on now — as she was painting my toes she was saying how lovely they looked, "and when they're dry," she said, "I have a lovely pair of stockings and sandals for you to wear."

She helped me into my undies and then pushed me back onto the bed, then started to kiss my painted toe nails and fondle my stocking-clad feet, slowly working her lips up to my rock hard cock. She then swallowed my cock

We Luv Lucy

Hi guys! Lucy here — more or less, anyway. You see I've just come back from a week in Barbados and I've been in bed for two days with jet lag — and a nice girl, of course. Yes life's a beach when you're *Razzle*'s regular little hell-raiser! Let me tell you all about it...

The fun started as soon as I got on the plane. I was sitting next to a friendly middle-aged businessman called Richard. I hate flying so I turned to Richard and asked him if I could hold his hand as the plane took off.

"You can hold onto more than that, if you like!" laughed Richard. And with that I slipped my hand under his coat which was lying on his lap and unzipped his fly. In no time I had pulled out his throbbing six incher and was tugging in it as the plane shot down the runway.

Just as the plane took off I squeezed the end of his knob and he blew his load all over my hand.

"Lift off!" I squealed, and whipped out my hand so I could lick his spunk off my fingers.

Needless to say, it wasn't long before my new man had given me life-membership of the Mile High Club, as he took

me to the tiny toilet and banged me from behind as I grinned at myself in the mirror.

When we landed in Barbados it was sweltering and I could feel tiny beads of sweat forming between my boobs and dripping down my tummy. What I really needed, I thought to myself as I stripped off down to my bra for the ride to the hotel, was an obliging tongue to lick the sweat off for me!

Fanny Lips

Once I'd settled myself in at the hotel, I grabbed a towel and ran off to the beach. I was wearing a skimpy yellow swimsuit that hugged my boobs so that my nipples stood out, and moulded nicely to my little pussy, showing off the folds of my fanny lips.

As I lay on the beach, soaking up the rays, I looked round for a bit of horny company. It wasn't long before I had attracted some sexy attention in the shape of an 18-year-old American girl called Jane.

"Hi!" she said, as she sat down on the sand next to me. "I couldn't help noticing that your lovely fair skin is catching the sun a bit on your shoulders. You should be careful you don't burn. Have you got any sun-tan cream?"

I delved in my bag and pulled out some factor four and gave it to Jane. I was pleased to see that there was a small damp patch forming between her thighs as she leant over me and began to rub the cream into my skin.

"Mmm, that's very nice. You really know what you're doing don't you!" I cooed, as Jane's soft hands smoothed over my shoulders and found their way inside my swim-suit. Jane began to roll my hardening nipples between her fingers, all the time massaging my boobs till they ached. "Ooh! Are you sure you should be doing that to me right here on the beach? Someone might see!" I giggled.

"Well that's rich coming from my favourite little strip star!" laughed Jane and she told me all about how she had seen me in *Razzle* and had

always wished that one day she would meet me fanny to fanny, so to speak. And with that I leapt on top of my busty blonde pal and kissed her full on the lips, at the same time pulling my shoulder straps down so that my hard boobs pressed firmlyhers.

Hot Minge

I slipped a hand down inside Jane's bikini bottoms and found her hot minge. I smiled to myself as I ran my fingers through her sparse pubes and found her stiff clitty, which was poking out from it's hood. Then I slipped my finger inside my new lover and began to bring her off. I could tell why there was such a damp patch on her gusset — her pussy was soaking! It was easy to get three fingers inside her as we continued to kiss, our tongues winding around each other in a passionate embrace.

At the same time Jane was slipping her fingers under the elastic of my swim-suit and squeezing my firm bum cheeks before moving round to the front where they came across my little pussy, thick with my horny thatch. I moved my legs apart slightly as we lay down on the warm sand together and Jane managed to get a couple of fingers between my pussy lips. Wow, this girl really knew how to finger a girl off and I was loving every minute of it!

"Now for a bit of deeper exploration!" exclaimed Jane as she grabbed my snorkeling mask and put it on. She rolled off me and suddenly appeared between my thighs, pulling aside the crotch piece of my costume and poking her tongue deep inside my fanny. I held onto Jane's hair as my thighs clamped around her head and she gave me a great licking out.

The mask was smeared with my juices as I approached a gushing climax, throwing my head back in the sand and arching my back. Then I came, sending jerks of ecstasy down my spine and making me trickle with juice.

"Cor blimey, Jane!" I said. "You can go diving with me any time !"

See you all next month, guys.

and sucked it hard for about 20 minutes. As I was about to come again she stopped sucking and placed her feet around my tool. She rubbed my hard shaft until I could not stand it any more, and I came all my white spunk over her lovely stockinged feet. She then put her feet up to my mouth and made me lick my come from around her toes, while she kissed and sucked my toes. Phew, what a night!

D'You Dig?

I've got to tell you this true tale as I wonder what other readers think — because I'm baffled!

We've been working in the Notting Hill Gate area of London for about two weeks. I'm a road digger, 26, a red blooded male, and I like to keep my cock well exercised but I'm a wee bit fussy where I stick it. I'm a keen *Razzle* reader too and can't wait to see my letter in print. Anyway, me and the lads were working outside this pub near the Russkie embassy. When we were digging there, every lunch time a big buxom blonde would come past with her box of sarnies and get a drink and sit in the sun pretending not to look at us.

I don't go for older women (she's about 40) but you couldn't help noticing her ginormous tits. Plus she was attractive for an older woman. Being the friendly sort, I chatted with her on and off but nothing more, just the usual banter about the weather and the noise we were making, and she admired my tan. It was just idle, friendly chatter — my mother in law is her age!

Anyway last Friday I went over East Acton way for a couple of jars with my cousin Tel and who walks in the pub? — you guessed it, big titties. She spots me and comes over and begins chatting like she's known me for ages and Tel, being a nosey cunt, is wanting to know who she is. She said she had come to meet a friend. When her friend still hadn't arrived after an hour she left, but came back again at last orders and matter of factly asked me and Tel to walk her home.

I was surprised. She wasn't tipsy and only lived nearby. I had my car and we were there in a flash. She had told us she worked in Notting Hill Gate and that her husband was working abroad and would we like to go in for a nightcap? Tel looked at me and I

the magazine. Beth is now something of a celebrity among the few friends that recognised her, and their compliments and admiration have encouraged her to go a bit further this time and give them (and you) a special treat by boldly flaunting one of her other best bits in this snap.

Regular readers will notice that Beth is still using the same field as before but I think there is a chance that we will soon have an audience once others recognise the spot! But that won't bother Beth as since her pics appeared she has become something of an exhibitionist and shows her tits and fanny to almost anyone!

thought, what the hell, there's no harm in that.

We went through to the kitchen and she gave us lager from the fridge, then she left the room and was gone ten minutes when we heard her call us from the next room. We took our cans along the passage and into the lounge. What a sight!

We were tongue tied. She had stripped off down to her stockings and suspenders, and was sitting in an armchair. Those big tits were sagging just a bit but she had a nice figure. Tel (he's a daft cunt) says in a whisper, "Lets get the hell out of here." I held his arm and she goes, "Well boys what do you think?" She looked a bit shy but obviously wasn't. I said to her, "Fantastic darling." She looked relieved and began to fondle her breasts.

I walked over and said I would do that for her and she really liked it. Being a cheeky sod, I put a leg over each arm of the chair and she didn't object. She was spread like an eagle, her big hairy beaver running from her belly button to her arse. I cupped her minge and gave it a tickle and she squirmed. She was soaking wet already down there and I had a hard - on stiff as a lampost.

"Please fuck me now," she said and so I had my trousers off in no time, and we got down onto the carpet and I slipped her my five and a half inches. It might not be long

PATTY

When the Ed heard that porkable Patty here was back in *Razzle* it brought a smile to his face and a lift to his desk. And who can blame him? Patty's passion-pillows really are a dream to behold...

"And the Ed should know — he's held them enough times!" giggled Patty who last appeared in Vol 8 No 3. "Actually I've been a hit with lots of fellas since I flopped out my funbags for you. Only last night I met a bloke who had a great time rolling my nipples around in his mouth then giving me a titty ride.

"Come to think of it," said Patty looking down her cleavage, "he's probably still in there somewhere!"

but it's bloody thick and that's what women like.

She went wild, she couldn't get enough and she wanted it harder and harder till I was sweating. She bucked and jerked and had me pounding away like a hammer till she climaxed. Her cunt was big but could she hold on! When she orgasmed she made one hell of a row as I pumped my load into her. She wanted more cock and Tel bonked her and I screwed her twice more.

Then when she'd had enough she goes, "Now you've had what you want you can piss off!" There was no reasoning with her so we left. The horny woman was only interested in my stiff cock and I could piss off when she was satisfied!

So I'd just like to say, in spite of your bad manners darling, (Sue reads *Razzle*, she had a whole pile under her coffee table) I wouldn't mind walking you home again. What about it Sue?

Watch With Lover

My girlfriend and I are regular readers of your magazine, and we especially enjoy your horny readers' letters. Just the other day something happened to me that I thought might be of some interest to your readers, though if my girlfriend ever found out about it she'd go absolutely mad!

A mate of mine, John, asked me to go round to his place to watch some blue videos, and enjoy a few beers. The first film was all about ladies stripping, and I can tell you there were some fantastic tits and fannies on show. John and I were well into the action, when in walked in Maria — John's girlfriend.

She was wearing nothing but stockings, suspenders and crotchless panties. What a sight! She sat between us on the couch, and John started playing with her tits. I was getting hot under the collar by this time and my dick was straining under my jeans.

"Lick her cunt," John said to me, "she likes that sort of thing!" I didn't need to be told twice, and I was straight down between her legs licking her hairy slit. Her juices were sweet and sticky and I plunged my tongue into her and started to eat her out!

I looked up and I could see Maria helping John off with his clothes. I continued licking her lovely hot pussy as she tugged John's trousers and underpants down, and then helped herself to a mouthful of his stiff cock. He groaned as she sucked on his dick-head, and ran her tongue all over his shaft and balls.

"Get your clothes off mate," said John, "she's really begging for it!"

In ten seconds flat I'd stripped off my tee-shirt, jeans, and boxer shorts, and then positioned myself kneeling up between Maria's thighs. My dick was like a red-hot poker as I spread her pretty lips and lunged at her cunt. I sunk into her right up to the hilt and started thrusting urgently in and out. Maria still had her stockings and black suspenders on, and she ran her hands up and down her beautiful stocking-clad legs as I rammed my dick home. She was gurgling and moaning in ecstasy around John's rampant dick as she continued to give him head.

Then John and I swapped positions and he fucked her tight, juicy cunt as I got my dick royally sucked by that beautiful mouth of hers. This was one cock-hungry woman!

We ended up with Maria kneeling in front of us on the carpet while John and I both stood over her face, wanking our cocks. She licked at both our knob ends, and ran her

HAVING A BALL!

"Guess what, Jilly?" cried Jackie excitedly down the phone. "Those guys at *Razzle* want us to play with some balls — and they'll pay us to do it. Are you coming?"

"Yes, just at the thought!!" exclaimed her blonde bosomy buddy. When they told fellow romper, Big Babs, she flipped her wig and left it where it fell. And at the mere mention of getting their hands on some balls, Becky and Lisa dropped everything (but put them back on for the bus ride to the studio). However, when the horny handful arrived they got a shock.

"Hey, they're all different colours!" screamed Becky before the others set eyes on the the ballpool. "There's pink, yellow, blue..."

"Now pink and yellow, I'm used to," replied Lisa. "Some have even gone red after I've had my hands on them. But blue — how cold is it in there?"

Then they saw what the loony lensman had in mind, and soon our bouncy beauties were squeezing and stroking the plastic playthings. Becky potted the pink down her panties, whilst Jackie and Jill tried to sink a couple of reds. Blues fan Lisa squeezed hers between her boobs and Babs spent more time on the greens than a hopeless golfer.

"Fun, eh?" asked the photographer adjusting his aperture. "And no messy food to clean up. Whaddaya reckon?"

The girls started hurling balls by the handful and all cried in unison.

"A load of old balls!"

★ A nervous young man was invited to dinner with his girlfriend's parents — a stern Yorkshire farmer and his wife. Halfway through the meal, as they were discussing his intentions towards their daughter, the young man felt an enormous fart coming on. He was unable to control it, and the room reverberated with a massive bottom burp.
"Get out, Shep!" said the farmer to his sheepdog,which was lying under the table.
"Thank God," muttered the young man to himself. "He thinks it was the dog."
A few minutes later he felt another fart building up and again a rip-roaring rasp burst from between his buttocks.
"Get out, Shep!" shouted the farmer once more, and the young man was relieved at getting away with it again.
Then the nervous young man let out a really monstrous fart that sounded like the Red Arrows flying past. This time the farmer kicked the dog violently.
"For God's sake, Shep, get out!" he yelled. "Before that bastard shits on you!"

Feet First, Please!

Dear Sally,
Please can you help. I am a foot fetishist and I am absolutely obsessed with the sight of stockinged feet and women in tights. My problem is that I can't seem to find any videos or anything devoted to feet. I love the letters like *'Sexy Sandal Shoot Off!'* in Vol 8 No 7. The first time I read that I spunked in my jeans! The ultimate turn-on for me is sheer black seamed stockinged feet with painted toe nails in a pair of mules. That's why I need more feet!
Michael, Middlesex.

***Sally Says:** Well Michael, it seems that* Razzle *is the only mag around that features feet because we all appreciate how sexy they can be! But I'm sure I'm not the only girl who likes to grip a guy's meat between her feet and make him shoot off across her tummy. The Editorial bunch tell me that they print as many foot fetish letters and snaps as they get, so if any of you lady readers out there fancy sending in some pics of your sexy size fives there's lots of guys who can't wait to see them!*

Flirting Got Out Of Hand

Dear Sally,
I'm 25 and have been living with my boyfriend Terry for three years. Around eight months ago Terry kept hinting at the possibility of my exposing myself to one or two of his friends. I didn't like the sound of it at first but then one evening Terry brought his friend Steve back from the pub with him.
I was pottering around in my dressing gown when they arrived and I said I'd make them some coffee. As I re-entered the room with a tray Steve came up behind me and pulled my dressing gown down over my shoulders so that my tits were completely exposed. At first I was embarrassed, then I thought, 'So what? Maybe they'd like to see what's between my legs too!'
Terry was very keen for me to go further and Steve even keener, so I took my gown off and said, "Would you like to take my knickers down, Terry? I'm sure Steve would like to see what's between my legs." I was very excited by this time and it wasn't long before I was sucking Terry's cock while Steve was giving me a good seeing-to.
After a great experience like that, I'm now really into being fucked by loads of guys. Every party we go to I end up showing someone my pussy. Of course the thing is that now Terry has gone off the idea of me having all this fun. What can I do?
Sandy, Leicester.

***Sally Says:** Oh dear Sandy, you have got yourself in a spot, haven't you? Now all I can really say about this — other than thanks for this very sexy letter, it had me creaming my little pussy all the time I was reading it! — is that you should perhaps stop seeing other blokes for a while and just think about where your relationship with Terry is going. You have had some great fun and I'm all for that, but you've obviously given your boyfriend much more than he bargained for. So lay off for a while and let your mind do the talking instead of your pussy!*

No Problem At All!

Dear Sally,
I've got a big problem — or should I say a small one. You see I've only got a six inch dick and as I'm a virgin, I'm worried that my first girl will be very disappointed with what I've got.
Chris, Liverpool.

***Sally Says:** Now I seem to get a lot of letters like this, Chris. So let me say once and for all, four, five, six inches or more, it doesn't matter. Why do you think a girl likes to get finger-fucked? Size does not matter! As my old mum says, 'It's not the size of the waves, it's the motion of the ocean!'*

GIRLS ABOUT TOWN

CAMBRIDGE

When our phantom flashers, Dawn and Tracey, hit Cambridge, they certainly taught the leching lecturers a lesson. The moment our pert pair revealed their qualifications the big stiff dons were only too keen to invite them along for coarse studies.

"Hey, Dawn, what a co-incidence," smiled bubbly blonde Tracey. "This guy says he's called Don too, and he's got a doctorate."

"Right, Doc," grinned Dawn, "would you like to examine our chests?"

After showing off their glittering prizes to the stuffy staff, our two perky punters headed for the Cam.

"Fancy a ride, darling?" said a little man in a boat.

"Not half!" exclaimed Dawn, who had disappeared without Trace. "My! What a long pole you have! Can I play with it? What do I do?"

"You use it like an oar," muttered the vulgar boatman.

"I do everything like an 'ore," she laughed, flashing her twin outboards. Then she spotted Tracey on the bank.

"Oy Trace, have you seen my punt?" she cried. "It's big enough for two, but mind you don't slip, it's a bit damp."

"You know something, Dawn," giggled Tracey, spotting two saucy students. "We may not get much of a classical education while we're here — but I still reckon we'll both end up under graduates!"

Virgin On The Re-dick-ulous

I met my husband, Chris, three years ago, just after graduating at university. Although we have a fantastic sex life, I often reminisce over two girl students with whom I had intimate affairs while still at university.

Nextdoor to us lives a couple whose 18-year-old daughter, Susan, has just taken her 'A' levels. She often comes in for help with her studies. I really fancy her, and I got the impression she might feel the same about me. Recently I had an idea which I hoped might make things progress a little.

Having guessed her size, I bought a matching bra and panties set to fit her. The next time she came to our house, I told her that I had bought some new underwear, and that I'd mistakenly taken one size too small. I told her that she could have them if they fitted her. It was just a ploy to see her undressed.

I'd left them in the bedroom so I took her upstairs. She seemed a little shy, but she removed her blouse and bra and I handed her the new bra.

As she reached behind her to fasten the strap, her breast was squeezed out of the bra slightly. I reached out to put my hand inside the cup of the bra, pretending to help her. I could feel her nipple against the palm of my hand and just couldn't stop myself from squeezing her breast slightly.

What was even more incredible was when I was about to remove my hand, Susan quickly stopped me by squeezing her own hand around her bra. I asked her if she had ever had a girl before and she told me she had never had a girl nor a boy! Just the thought of Susan being virgin made me want her more than ever.

We were soon naked on the bed and I was savouring her lovely body and teaching her how to enjoy mine. It was the first of many times we enjoyed together. I told Chris, who wasn't surprised, because I had long ago told him about my previous affairs. In fact he seemed more interested in the fact that Susan had never had a bloke.

Susan and I were in the bedroom one afternoon when the door opened and Chris appeared. He had come home early, but when he saw us he walked out of the bedroom and left us.

A few minutes later he returned, completely naked, with his cock fully erect and pointing upwards. He got on the bed beside me, and as I rolled away from Susan, he got on top of me. His cock slid into me and he fucked me to an orgasm.

Susan was lying beside us and we made eye contact as I let out a long moan and came. Chris moved off me. We all sussed what was going to happen as Chris took Susan's hand. She showed no hesitation in taking my place. Chris rested his cock on Susan's stomach and got her to start rubbing it.

Chris came and his spunk spurted all over Susan's stomach. Her delight at making Chris come was obvious from her expression.

You'll have to stop using your vibrator — it's loosening your fillings

WHAT'S UP FROCK!

After an hour on the exercise cycle, Amanda from Cleveland's saddled with a hot gusset. But she cools down when her husband joins her for a few laps...

Chris started to scoop up his spunk from her stomach and rub it into her crotch. Susan widened her legs. I bent her leg closer to me and I held it toward me as I knelt down beside her.

I couldn't resist sharing Chris's pleasure and rubbing his spunk around the lips of her cunt. They were incredibly swollen as both our fingers slipped in and out of her. I wanted desperately to see Chris's cock inside of her, so I took hold of it and rubbed it until it was erect again.

I still had hold of it as Chris positioned himself on top of her and I rubbed his cock end between her lips. Susan yelled out, "Do it to me quickly." The sight of Chris's cock disappearing into her made my juices flood out of me. As Chris fucked her I rubbed myself frenziedly to a great orgasm.

When Chris came he collapsed on top of her, and Susan let out the most intense moan of pleasure. I could almost feel Chris's spunk shooting into her. His soft, wet cock came out of her cunt, then he left us. I can't describe the pleasure of kissing and sucking her lips and tasting a combination of her juices and Chris's spunk.

We often enjoy a threesome now. Susan and I get Chris to come inside both of us. Then Chris has left us we get into a 69 position and savour each other's wet cunts — I love it!

We Want Lucy

My wife Mary and I are both crazy about the same person — Lucy in *Razzle*! Mary often dresses up like Lucy and when she shaved her fanny in a recent issue my wife just had to follow suit. My wife's

Keeping up with loopy Liz can be quite exhausting. We were breathless just watching the 19-year-old nympho who just can't get enough of what she likes best!

"Ooh yes, I'm always up to something — or something's up me!" giggled Liz, jiggling her jugs. "I'm always ready to drop my knickers and have a quick one — I never get tired. Maybe that's why I need four boyfriends and a new bed every six months!"

friend Sheila sometimes joins us in a threesome and we all pretend that she is Lucy. What a shagging she gets!

We all get on the floor in a circle with me licking out Mary while she licks out Sheila, who is sucking hard on my cock. Then the girls both get on their knees and I alternate between them, giving their cunts about twenty strokes each with my length. At the same time they play with each other's hard little nipples.

When I finally come I pull my load over both their arses and fannies and rub it in well with my hands. Then I watch as Mary and Sheila lick each other clean of spunk, fingering themselves until they are both frothing up and I am hard again. We usually romp like this for hours. It really is great fun but it would be even better if Lucy could actually come and join in too!

Panting Into Panties

I am a 20-year-old student and a regular reader of *Razzle*. Recently a friend of my family, Helen, a divorcee in her 40s, came to visit my parents to tell them that she was going away to Spain for a holiday and to ask if I could look after her dog while she was away. I also arranged to take Helen to the airport on the evening of the flight.

When that time came I went to Helen's house a couple of hours early to sort out the arrangements with the dog.

Helen said she was going to take a shower and asked if I would take the dog for a walk. As she squatted down to put the dog on its lead I got a brief glimpse of white lacy panties up her skirt. At that moment an idea came into my mind about what I was going to do later. I had read about knicker sniffing but it had never appealed to me, but in that moment I was converted.

I dropped Helen off at the airport and drove back to the house and ran up to the bathroom. I was quaking with anticipation as I stripped naked and took the lid off the laundry basket. There inside lay Helen's frillies that I had glimpsed earlier, together with a lacy underwired size 40 bra.

I lifted the panties out of the basket and held them up to my nose. The gusset was slightly moist as I took my first sniff. The scent was incredible. It was just like licking her fanny! Just then I felt I was about to come so I took another pair of panties out of the basket and stroked my dick until I spunked into them. It was the best experience I have ever had! And I had plenty more like that for the remainder of Helen's holiday. Now I can't wait till she goes away again later this year!

LITTLE TITTERS

Can't you see, Rebecca — I'm crazy about you!

Snap Happy

Here are some snaps of my wife, Kate. What do you think eh lads? But she's not only a stunning looker with a sexy body, she's the horniest bed-mate a bloke could wish for! For instance, it wasn't my idea that we get a camera and take pictures of Kate fondling her ample boobs, it was hers! Yes, I got home from work one day to find Kate actually sitting on the bed pointing a flash new camera at all of her naughty bits.

She asked me if I'd take over because she wanted a shot of herself fondling her boobs and twiddling with her nipples. Of course I was more than happy to oblige and in no time at all I was stripped off naked and snapping away at her writhing body. As you can see, Kate was only wearing stockings and suspenders so it wasn't hard for me to get some great shots of her furry minge as she spread her legs and kicked her legs high in the air.

After about ten minutes I could resist Kate no longer and, tossing the camera in the air, I jumped onto her horny body and we had the best shag we've had in ages. Kate went wild, sucking on my stiffy, clawing at my arse cheeks and rubbing her big tits in my grinning face!

The only problem is, in my rush to get into my wife, I broke the bloody camera. Thank God the film was all right though, eh?!

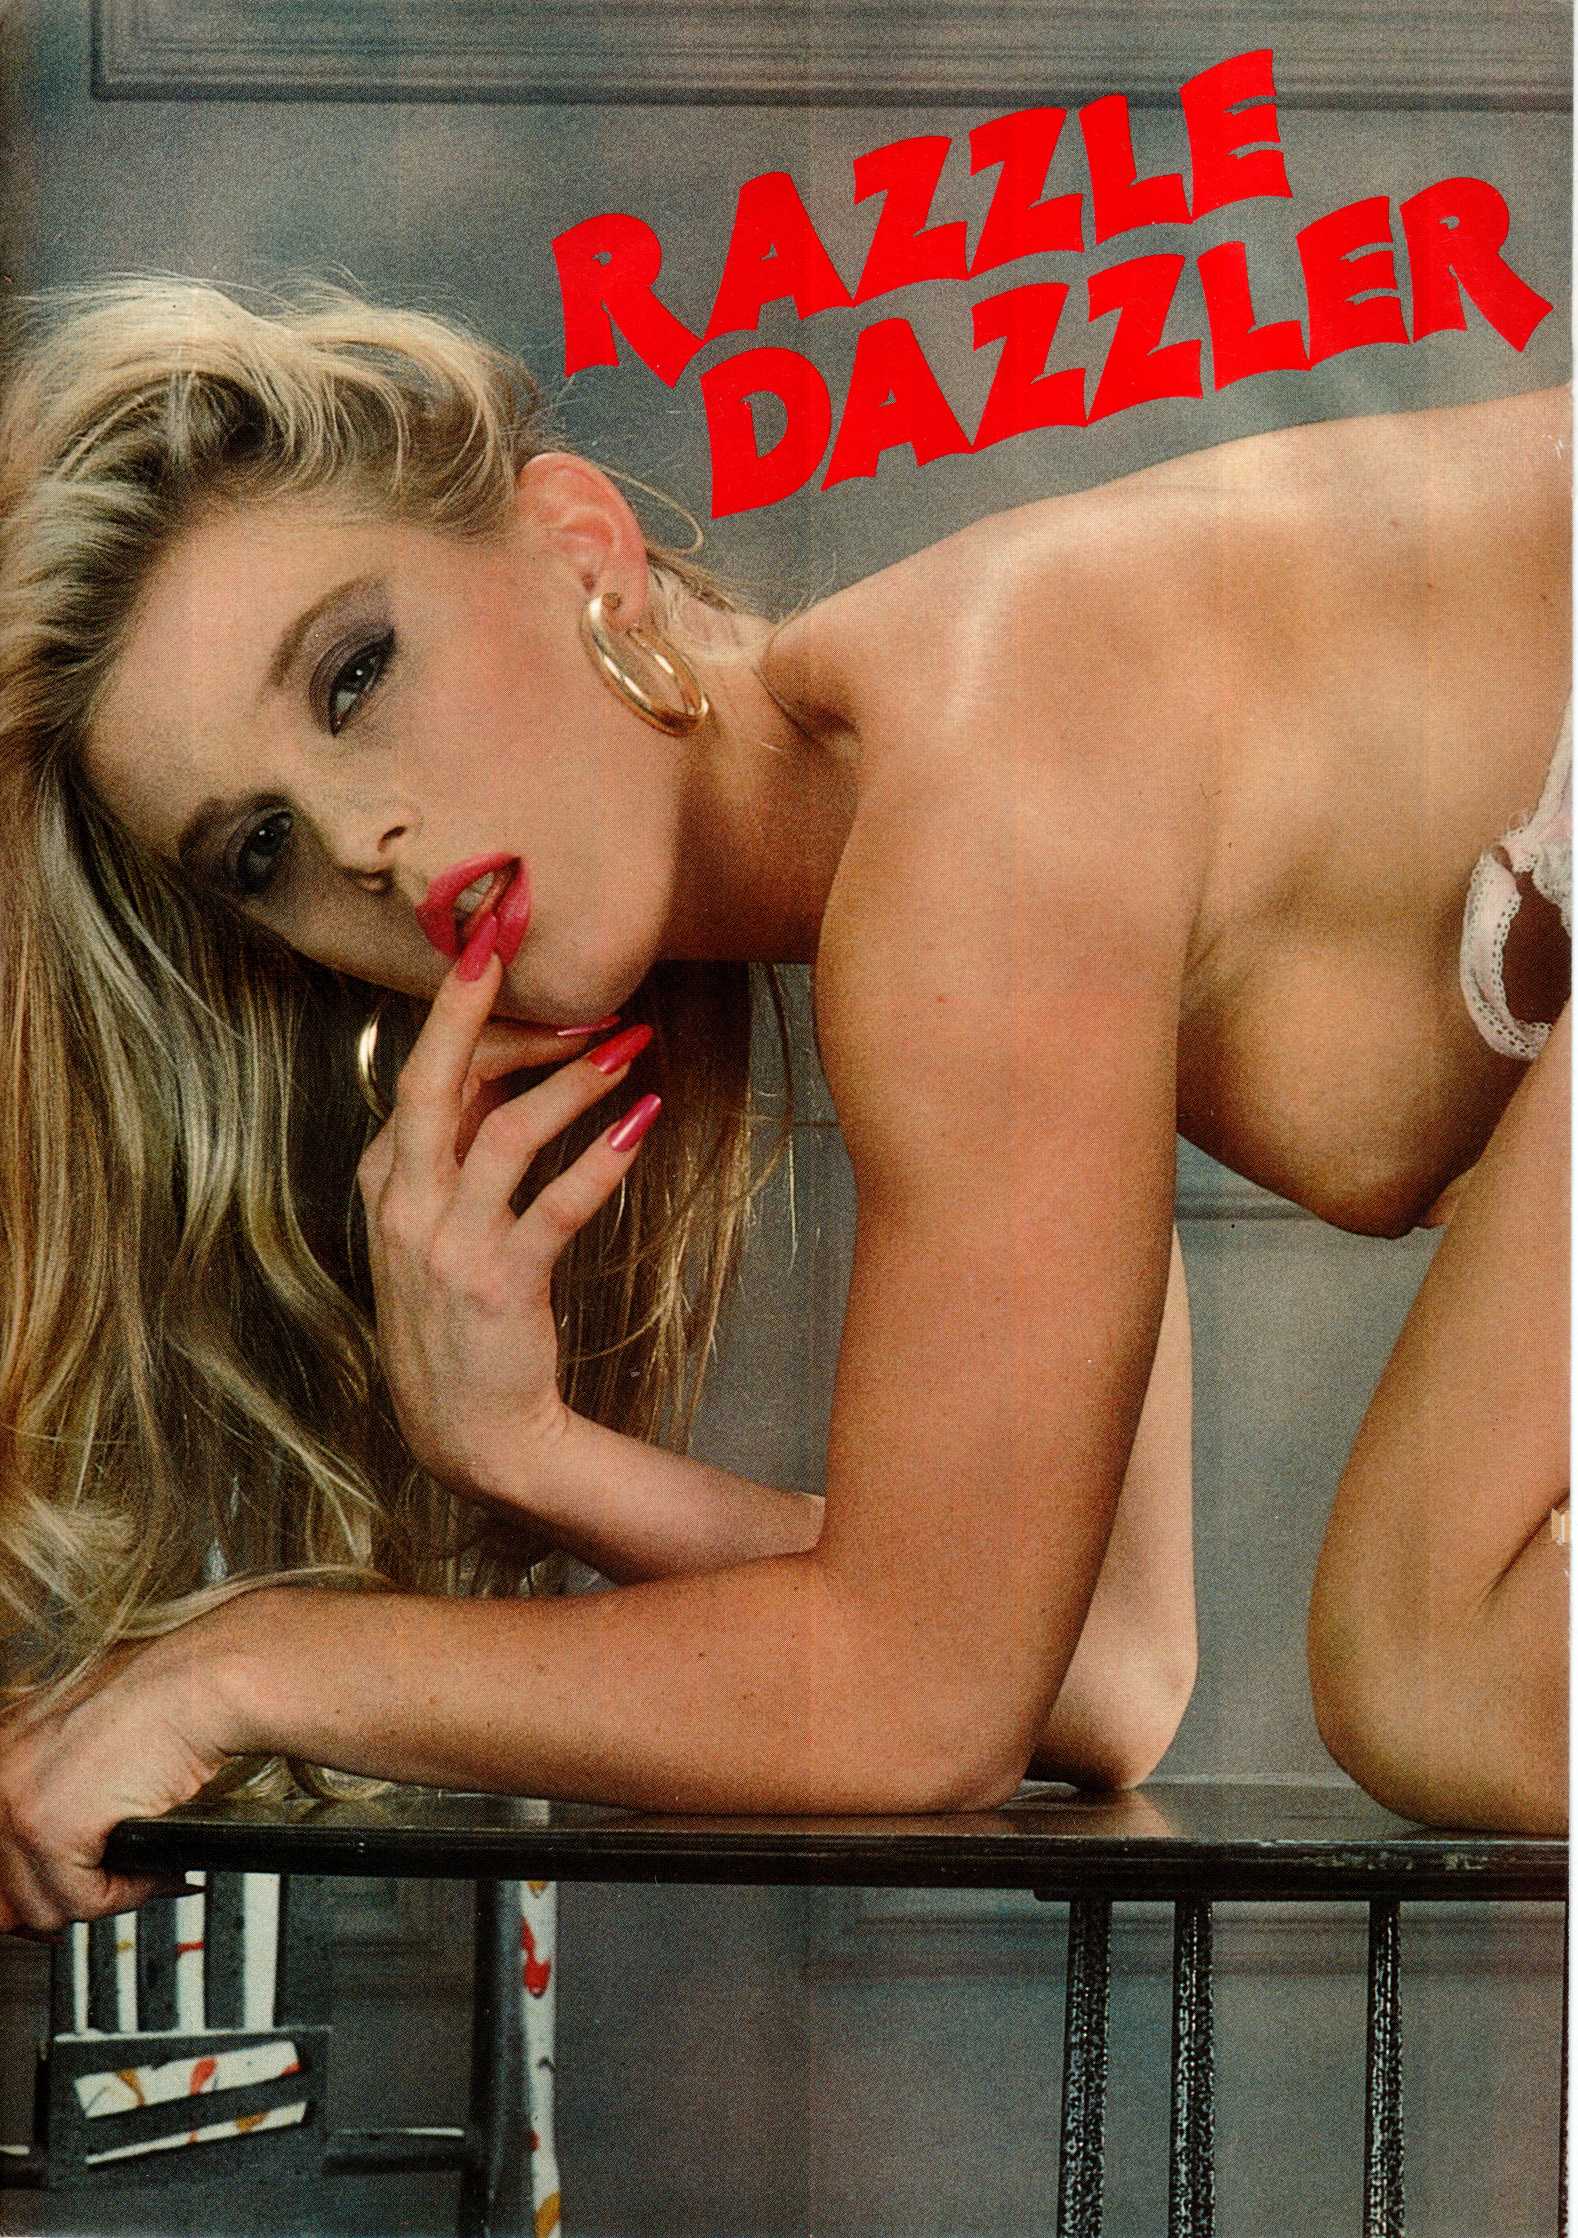
CLARE

You know the Ed's a pretty good judge when it comes to spotting a pert bum, and Legal Secretary Clare's smooth cheeks are ample evidence that he's made the right choice again. Of course our saucy centrefold is usually to be found at the Bar but today she's on the case for *Razzle*.

"It's hard to keep my mind on my work when I know I'm doing some modelling at the weekend," says our sexy 21-year-old, showing us her ample evidence. "My boss is always coming in and finding me finger deep in my fanny or diddling with myself under the desk. But it can be fun being court in the act!"



RAZZLE
DAZZLER

THE RAMPANT SEC'S

What has four letters, begins with W, ends with K and leaves you hot, sticky and knackered? Work! Our own Bendy Wendy explains how she survives the nine to five.

Hi there, at long last they've given me a bit more room to get things off me chest. Okay it's nice to have a bit upfront — I mean every girl likes a column to call her own but I wanted something longer to really get me teeth into. So I marched into the Ed's office and said, "How about giving me a spread?"

"Where? Over the desk?"

"No, silly, in the magazine — with real writing and that."

"Oh, I don't know. I... err... um... must go to the toilet."

Typical. Did I ever tell you I have a pet name for the Editor? It's Stupid Wanker. Anyway, the next day he went off "on a conference". I don't know what sort of conferences they hold at the Seaview Guest House, Oil-Over-Sands, but this involves him, five *Razzle Rompers*, a crate of *Grolsch* and ten cartons of ready-made custard. So I asked the Assistant Deputy Group Assistant Editor.

After a little persuasion, he said, "Urrg-errug!" There's nothing else you can say when a girl's got her hands down your trousers and her tongue halfway down your throat. Finally, he agreed. All those poncey lifestyle mags have *Day In The Life Of...* columns, why not *Razzle*? So here it is. *A Lay In The Life...*, oops, my typing, honestly, *A Day In The Life Of Bendy Wendy...*

6.30 am: Bugger all happens since me and Big Dave are asleep, but all celebs start at this time, so I have.

8.15 am: Big Dave gets up. Then again at 8.30 and 8.45. Honestly that guy can't get enough. He's a tool fitter by trade — and for a hobby, know what I mean? I met him at an Essex disco, and we've had a steady relationship ever since... ooh...Tuesday. He's not too bright, mind. He has a big toothy grin, so I told him I fancied his smile rotten. He's been eating sweets constantly ever since. At about nine, I finally get Dave off, and ten minutes later he goes to work.

9am: I start to get ready for work in the plush office in Soho. Although *Razzle*'s a sexy magazine, I have to dress dead posh. So I slip into a severe classically-styled, tailored business suit with a skirt down below the knee. If it wasn't in scarlet hi-gloss PVC it would be fucking awful. After adjusting my formal top in the hall mirror to make sure my tits don't drop out on the tube, I set off.

9.30am: Punctuality is essential for a top secretary and on the dot of half past nine I'm in a tunnel between Oxford Circus and Charing Cross with my nose deep in Jackie Collins (ooh! That sounds kinky!). There are lots of grey suits on my train — the only thing they've found pink and hard that morning is the *Financial Times* crossword.

A lot of boring bastards complain about commuting, saying how hot and crowded it is — then pay £10 to get into a nightclub to get the same thing. Me, I like it. Every twist and bump in the track sends a shiver through my pussy — it's just one big walk-in vibrator to me. With the clock striking exactly 9.42, I arrive at work still in damp ecstasy from my rough ride. "You look hot," says the Ed. "Did you come on the tube?" "Nearly," I reply.

9.50am: Almost as soon as I arrive at the office, I'm out again getting bacon butties for the editorial staff. When I'm in me plastic, they can hear me coming for miles, and I went quite red when one of them asked if I could rustle up a hot sausage roll! The art department like them long French stick things filled with cheese and that. I remember the first time they asked for one.

"I know what I fancy," said one of the pencil squeezers. "Can you find me a freshly stuffed baguette?"

"This is Soho, mate," I replied. "There's one in every flippin' doorway!"

10am: By ten, the Ed has fought off his hangover, and we have our first editorial conference. Like most bosses he likes a bit to fondle now and then, but he's not a randy bastard. With all them models around, he's too knackered. Mind you, I thought he was at first. One day when I was ringing one of the contributors, he asked if I'd like to use his dictaphone. I went bright red. "No thanks," I said, "I'll manage with my finger."

12noon: My day gets under way and I write to the readers' wives thanking them for their pictures. I love looking at all those saucy home snaps. Then I have to collect the freelance contributors' cheques from the bank — they're too small to cross the road on their own. After that, I read *The Star* till lunch.

1.30pm: I like to relax at lunchtime, so when the Ed says he's popping out to the sandwich shop, would I like something to munch on, it's hard to refuse. Trouble is, there's so many pubs within seconds of the door it takes him three hours to get my cheese and pickle back to the office, and it's squashed by then. No girl likes to chew on a soft one, no matter how big it is. The editorial and art department usually go to a pub or three to discuss magazine tactics, market projections, effective targeting and the centre girl's knockers over five pints of kraut lager. I generally spend two hours on the phone to 0898 Chatlines.

3.30pm: If the lads have been to the pub, the afternoon is a bit less like hard work. Quite often I get summoned into the art department because they've forgotten how to draw tits and I have to show them mine for reference. Artists' block, they call it. It must be bad 'cos they suffer from it every couple of days. One of them even insisted on trying to trace them once.

I get called into the Editor's office to cross and uncross my legs whilst he drunkenly throws paper-clips down my cleavage. Before I have a chance to get most of WH Smiths out from between my boobs, the Deputy Chief Assistant Chief Deputy Ed comes in and says he wants to play with my reproduction equipment. He's come up with the lager-inspired idea of photo-copying his dick to fax to his girlfriend's office. But the cold weather and colder lager has taken its toll, and though I offer to help, even I can't raise the totally dead. We settle for setting the machine to magnify to 200%. It still looks like a greasy chip.

5.15pm: Just time before I smarten up my make-up for the journey home to take all the letters I've typed to the post room. Oh-ooh! It seems they've been in the pub as well. They're trying to find out which girl has the heaviest tits by putting them on the mail scale. Will I let them weigh one of my whoppers? Well, you have to do your bit for staff morale, don't you? I still don't know how much my tits weigh but it costs £2.65 to send one of them first class anywhere inside Britain.

5.29pm and 59 seconds: I'm by the door and on my way home. That's what I call punctuality! My plastic skirt has got quite hot during the day and is plastered across my cheeks so my arse looks like a freshly painted pillar box — in fact it's pulling my bum cheeks together so tightly my pussy's already creaming as I think of the bumpy ride home. I won't get far with my Jackie Collins tonight!

6pm: Big Dave's at the station with the Transit to greet me with my favourite meal out, Cock au Van. Well it beats watching the bloody *Generation Game*, doesn't it? And besides, a hardworking girl needs a little bit of fun!

CONFESSIONS OF A READER'S WIFE

'I tasted my own juices'

Some people I've talked to have said that this last hot summer nearly killed off their sex lives because it was just too hot to make love. Now I'm going to tell you all about what happened to me and my hubby, Mike, on the hottest night of the year! Let me explain.

It was one of those nights in July, when it was too hot to have the covers over you in bed. We had gone to bed at about midnight. We didn't have sex because I have to admit that I was just too tired having worked all day in that sweltering heat. Mike, however, was feeling really randy and kept playing with my tits while I tried to get to sleep. He was going to great lengths to try and get me interested — he snuggled his head between my legs, so I snapped them shut! He sucked my nipples, so I brushed him away. He even got out his camera and photographed me while I was lying there naked, but the flash got on my nerves so I put the pillow over my eyes. I just wasn't interested.

Eventually I thought that Mike must have got the message because I drifted off to sleep. I was probably only asleep for a couple of minutes, when I felt a drop of something hit my tummy, then another larger drop landed on my face. Suddenly a drop landed on my lips and I savoured the saltiness as I tasted it on my tongue.

I didn't even open my eyes for a moment, just lay there enjoying the taste of Mike's creamy come. That was all it took to change my mind about going to sleep.

I opened my eyes and looked up. There, standing over me, throbbing dick firmly in hand, was Mike, sending down little showers of spunk onto my face and tits. He milked his prick more and I opened my mouth to catch as much of the sticky stuff as possible. Mmm, it was gorgeous, and so thick as it slid down my open throat!

Tingling In My Pussy

A big grin spread across Mike's face as he saw me gain interest. I began to rub his come into my boobs, massaging it into my nipples until they stood out stiff and hard. God, I really needed to have them sucked, but Mike had other ideas!

Slowly he descended onto my face, his drooping knob nudging between my lips and into my welcoming mouth. Mike moaned as I sucked hard on his tool, lapping away at the purple end, skimming my tongue round the rim and raking my teeth up and down his shaft. I fondled his balls with one hand, squeezing them gently until Mike's dick began to get hard again in my mouth.

All the time I was crossing and uncrossing my legs, squeezing my thighs together and thrashing about on the mattress as I desperately tried to make myself come. Eventually, just as I could feel Mike was about to come, I stuck both my hands down between my legs and began to frig myself. I opened my pussy lips with one hand while I poked in and out of my hole with my fingers. I rubbed around the sides of my clitty, making it hard and very full.

I thought I had Mike fully under control as I pinched the base of his cock with my fingers, so that he could only come when I was ready. But I was wrong!

Suddenly a great jet of thick spunk shot to the back of my throat as I sucked on him. My efforts to stem the flow only made the stream more powerful. The incredible sensation as globs of cream shot down my throat was enough to take me over the edge into my own orgasm. I clenched my legs shut over my hands as wave after wave of pleasure swept over me and my come began to dribble from my hole onto the sheets.

Needless to say, by this time the heat of the night had taken its toll and we were both drenched in sweat, drops literally running down Mike's back onto my tummy. Mike suggested we take a shower and, as all thought of sleep had long since been forgotten, I agreed, leading my fella by his limp dick into the bathroom.

We climbed into the shower and Mike turned the water on. We kept it cold to cool off our bodies, but it did nothing to cool our passion! I grabbed for the soap and rubbed up a frothy lather all over Mike's body, especially between his legs. Soon all I could see of his tackle was his shiny knob-end poking out from a mass of bubbles. Mike was doing the same to me, washing all his come off my pubes and soaping my tits and rolling them around in his hands.

To my surprise, Mike began to show signs of stirring in his crotch — yes, there was a third hard-on coming my way!

I grabbed the shower head and directed it onto Mike's dick, cleaning off the foam around his balls. By this time he was rampant and was shoving his fingers into my cunt to get me nicely lubed up for what he had in mind next. Then Mike turned me around so that my tits were squashed up against the plastic shower compartment. He reached down between my legs and opened my pussy lips, guiding his twitching tool deep inside me. I began to ride his length, squeezing my pussy muscles to make the most of Mike's knob as he drove in and out of me.

In front I was frigging away at my clit like crazy, eager to get my second climax. And it wasn't long in coming, I can tell you!

Mike had only thrust into me about ten times when I felt that unmistakable tingling in my pussy and I spasmed into another fabulous orgasm.

I squeezed even harder on Mike's rigid dick as he desperately fought to come a third time, and I knew just what would do it.

I stood up straight and pulled Mike's dick from my fanny. It was covered in my own juices which really turned me on. I looked at Mike and told him I was going to suck all that pussy cream off his his length. I saw his dick twitch wildly at the thought of me tasting my own come.

Suck All That Pussy Cream

So I got down on my knees in front of him and began to suck. I had never tasted female come before but I have got to tell you, I really envy you blokes because it tastes lovely (though not as nice as spunk!). I licked and licked, occasionally lifting my head to tell Mike how much I was enjoying the taste of my own fanny juices; and it was when I said that if all women tasted this good, I wouldn't mind getting another girl into bed with me, that he shot his load. But instead of swallowing it I squirted it into my hair

'I was flooding with honey'

Hi, my name's Tina, and I hope my confession will not only get you guys going but also cheer up girls out there who aren't as skinny as the models in *Razzle*. I'm 26, brunette and a very cuddly 42-28-40, but it's never stopped me getting my share of fellas.

Even when I was a kid I didn't want to be slim. I believe in making the most of what I have (like a pair of titanic tits you guys wouldn't believe!). Fat is fun, fellas! There's more to get hold of in bed, and when we fuck, boy, you'd better have plenty of room! Forget those stupid stories about our fannies being less sensitive. My cunt will caress your cock like a vice. And being a big eater, you should see what I can get in my mouth! I mean not just cock but your balls and all!

The only snag is clothing. I mean everything my size in the shops is strictly for frigid 50-year-olds. To get really sexy stuff like naughty undies I have to send off to transvestite mail order catalogues. As my big love is leather, I also buy a lot of men's clothes. I have several all-leather outfits which have had many a bloke in the pub wanting to undo all my zips!

I admit that leather makes me feel incredibly horny. I never wear panties when I have my leather trousers on because I love the way they rub my cunt like a stiff finger, making it juicy enough for the biggest cock to sink inside. And I reckon if you look horny and feel horny, you make the guys horny, and soon your plump sticky thighs will be being parted by a huge pulsating prick — sounds good, eh!

My Swollen Pussy Lips

I was in my black leather when I picked up Big Mick. When he saw me sitting in the corner of my local, glossy black leather caressing the big curves of my body, he started drooling — and not just from his mouth. He was over like a shot buying drinks, his faded denim jeans bulging with a meaty cock. So, fuck the pub — where's the car?

Car? Did I say car? When we got outside he proudly pointed to a battered Transit with his firm's name painted on the side. Still, randy buggers can't be choosers! I leant against the side, my arms round his neck and my tongue wrestling with his until my scarlet lipstick was smeared up both our faces. But my big tits pushing into his chest was driving him wild, and he tugged the zip of my biker jacket down to get at them.

Continued on page 50

and on my face, rubbing it in and grinning at Mike. It's amazing what a little dirty talk and a few dirty deeds can do to a guy!

We were absolutely knackered by then, and I couldn't really expect Mike to get a fourth hard-on, so we went off to bed. It was four in the morning by then and we both fell asleep straight away. But I couldn't help thinking as I got to work late the next day, it really is great having a persistent husband and a pussy that's very much open to persuasion!

CONFESSIONS OF A READER'S WIFE

Continued from page 47

"No, not here," I whispered hoarsely, hoping he'd take me to his place, but Mick had other ideas. He simply opened the back of the Transit, and pushed me inside. It was an inch deep in old plaster, and a thick cloud of dust rose as I sat down. He leapt on top of me, unzipped my jacket and massaged my mamms like he'd never seen a pair over 40 before. Then his lips closed round one of my nipples. My nips are so sensitive, this had me shooting a great glob of love juice straight into my leather gusset.

"Fuck me, you cunt. Now!" I yelled. He unzipped my leather trousers, pulling them down off my soft buttocks to reveal a black pussy glossy with my come. He started licking it up, sucking the drips off my milky white thighs, but I just wanted that monster cock up there. Sitting up, I tore open the buttons of his jeans. When his cock fell out, it was so big I automatically started to stuff it in my mouth like the greedy pig I am. The first six inches slid in fine, and I knew I could deep throat the next two, but even I'm not a fucking sword swallower! I slid it out again and pushed it towards my sticky thighs.

"Here it comes, girl," said Mick, pushing me onto my back hard enough to send up another cloud of dust. "And you're getting the lot." I was quivering with anticipation as his knob bumped my swollen pussy lips. Then slowly it slid in. I gasped as it pushed further into my fanny.

"There! How's that, eh, Cuddles?" he smirked. I couldn't speak. Instead I pulled him down, and let him bury his head in the smooth slopes of my tits, clamped my motorcycle boots round his legs, and we rocked from side to side. Then slowly my cunt muscles went to work, stroking and caressing his whole length. That had him moaning too, and soon we were rolling around in the plaster dust, my hands on his tight little bum, his clutching my big fat arse. Only then did he slowly start sliding his huge dick in and out of my sopping tunnel.

The movement brought on a new wave of fuck-hungriness, and soon I was thrashing around, my face and hair streaked with sweat and dust. His pace quickened, and I felt his big bollocks slapping against my mound, the whole van creaking on its M-reg springs. Then suddenly a sack of grouting powder fell off its perch and burst over Mick's back, filling the air with even more mucky dust, but we were beyond caring. His cock was now slurping in and out of my cunt, and I knew I was about to come.

His Creamy Spunk

Suddenly I felt I was flooding with warm honey, my head swimming on a tide of pure sex. Then I felt another flood — this time, his creamy spunk gushing into me. For once in my life, I was quite unable to speak... and neither could Mick. He was knackered.

Seemingly hours later, reality began to return. I sat up and looked at Mick and then down at myself. We were both covered from head to foot in grey and white powder. I started laughing. So did Mick. It was the joyous hysterical laughter of a couple who had just had their most satisfying fuck ever!

Yes, I've seen him again. And Mick is just one of many men who obviously appreciates a girl with a cuddly, ample figure like mine. Tonight I'm off to the pub to try out a new black leather catsuit I treated myself to. Somehow, I doubt if I'll have it on for very long.

Tina, South London

'Frigging

I work in the centre of town for a large insurance firm. The work's pretty dull, but the social life more than makes up for that. The office parties that we throw have reached semi-legendary status, due to the saucy goings on that usually occur at them. I'd like to tell *Razzle* about the big do we had during the summer.

One of the senior partners, Martin, had applied for a job with the New York branch of our firm, and when news came through of his departure he decided to throw a party for his staff at his house out in the country.

His place was like something out of the movies, a really huge white house, with a swimming pool, and loads of rooms. He had one large room set aside for the party, and had decked it all out with tables of food and booze. I went along with a workmate, Wendy, who was new to the firm, and we got stuck in to all the booze that was laid out straight away.

Well as you can imagine, what with loads of free alcohol up for grabs, it wasn't long before me and Wendy were well plastered. And there was certainly plenty of fellas there who were more than keen so take advantage of the two of us in our 'relaxed' mood.

It wasn't hard to see why really; Wendy was about my age, with long blonde hair, long and slender legs and a nice pair of pert tits. I would say that I wasn't too bad looking myself — or so fellas keep trying to point out to me when they're trying to get into my knickers... most unsuccessfully I might add.

You see, I'm a lesbian. Of course I've slept with my fair share of men, but there's nothing like the feel of a woman's knowing touch. Some of the people at work know about it, but

by the pool'

I still have to fight off the occasional amorous male.

Anyway to get back to this party, me and Wendy carried on knocking back the wine, and were gradually getting more and more pissed, and by this time were hugging each other like we'd been friends for years. The party was getting a bit dull, and the two of us were thinking up ways to liven things up.

"Let's go outside," Wendy said, and before I had a chance to answer, she was leading me by the hand towards the door, and outside to where the pool was.

"How do you fancy a dip?" she asked as we stood at the side of the large pool.

White Silky Knickers

I was a bit pissed and agreed straight away. Wendy started to strip off, and her body really did look as good as I had hoped for. It was almost as if Wendy was deliberately putting on a show for me, because she took her time taking off her clothes. Slowly she pulled off her top and skirt, and then she was standing there in just a see-through bra and a pair of white silky knickers.

"Well, what are you waiting for?" Wendy asked. The question almost didn't register, I just stood gazing at her, my eyes taking in Wendy's lovely body.

Wendy walked over to where I was standing, and started to help me off with my dress. I was pretty drunk, and I just let her do all the work. As she took off my dress, her hands ran along the sides of my hips, and I thought I was going to come there and then. I'm sure Wendy must've known the effect she was having on me because I was all flushed, and I'm sure that my knickers had a tell-tale wet patch on them.

"They've told me all about you," Wendy said and smiled.

At first I wasn't sure what she was talking about, but before I had a chance to answer, Wendy had pulled me towards her, and had started to kiss me. I really didn't know what to do, or say, but I wasn't going to argue at all. As Wendy was kissing me I could feel her hands running down the sides of my body, and slowly one of her hands was working its way inside the top of my panties. I made things easy for her, and moved myself so that she could get her hand down the front of my clinging knickers.

My Sopping Slit

I could tell that Wendy must have done this before, because her knowing fingers found my clitty straight away, and she knew exactly what she was doing. Speeding up then slowing down, her expert fingers worked away at my sopping slit, and I thought my legs would give way, as her fingers probed deeper into my pussy.

"Let's lie down," Wendy suggested, and we lay together onto the cool floor beside the pool. As we lay down, Wendy pulled at my knickers, and in one movement had them down around my knees. Without hesitating at all, she moved her head between my legs and started to blow gently on my pussy lips. The sensation of having someone blowing air on my hot pussy almost sent me over the edge, and just as I thought I was going to come, Wendy made sure I did! Gripping my thighs she plunged her tongue deep into my pussy, and I had one of the most intense orgasms I've ever experienced. I held onto her head as my come started, and when Wendy surfaced for air, her face was covered in sweet pussy juice. I kissed Wendy and tasted my own juices.

Wendy was still wearing her bra and silky knickers and I decided that one good turn deserved another. I pulled Wendy up from between my legs and started to set to work on her boobs. Unhooking the catch at the back, I let her beautiful firm tits fall free. As they did I held one of them in my hand, and started to lick and kiss around the nipple. Wendy was sighing, and by the look on her face I could tell she was enjoying the experience. Her nipple was by now standing to attention, and I took it between my teeth and bbled gently at it.

s I was sucking on her boobs, Wendy's own finger was deep inside her pussy, pushing in and out. I knew that I wanted to taste her sweet pussy myself, and I started to kiss my way down her flat stomach, until I reached the top of her panties. I could smell the musky aroma coming from her cunt, and I teased Wendy by licking at her cunt through her knickers.

"Eat me, eat me," Wendy cried out, and I pulled her knickers to one side and proceeded to lick and suck at her pussy lips. Building up the rhythm, I pushed deeper inside her cunt each time, and pretty soon Wendy's cunt was as wet as she had made mine.

I looked up at her face. Her long blonde hair was stuck all over her sweaty face, and a big smile spread over her mouth to confirm that the desired effect had been achieved.

Wendy was screaming by this point, and I decided to slow down the pace a bit. I manoeuvred myself so that my cunt was over Wendy's mouth, and I carried on slowly licking at her cunt. She got the message soon enough, and she lovingly kissed and sucked my hot pussy, alternating the pace, while I did the same to her cunt. When I felt the oncoming wave of an orgasm I speeded up the licking of Wendy's cunt, and we ended up falling into a pile beside the pool, both totally satisfied and happy!

Wendy and I made it back to the party later, but not until we had a petting session in the swimming pool too! If we get invited to any more parties, I'll write and tell you all about it!

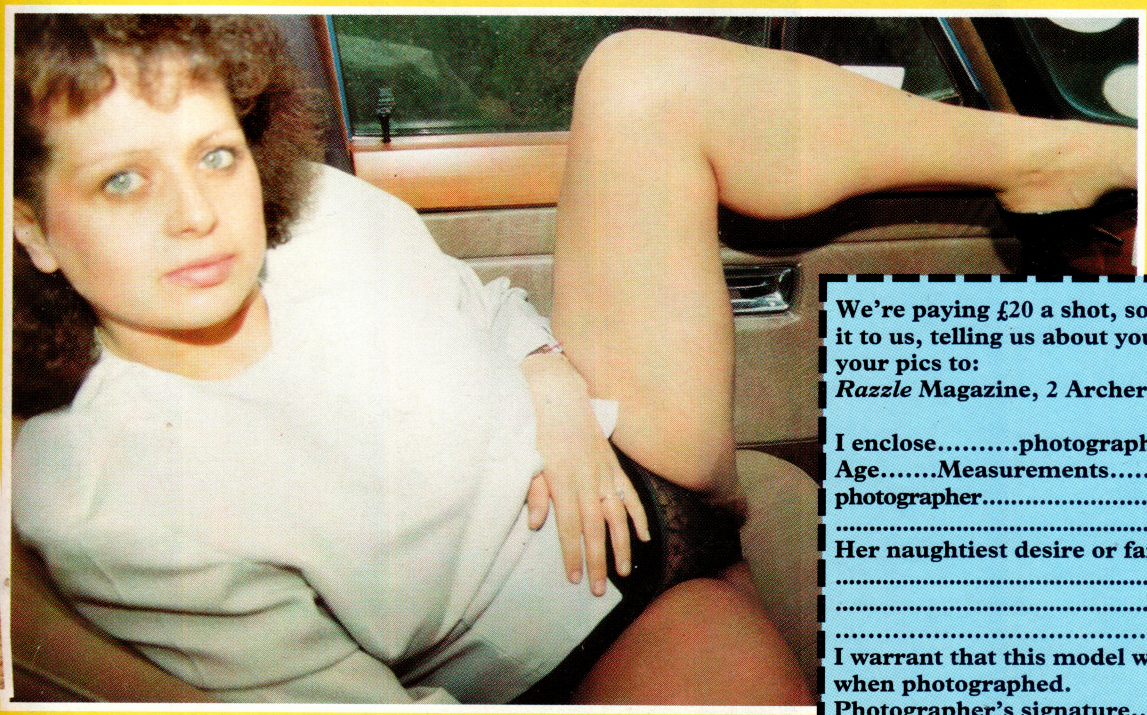
Nadine is Leicester's naughtiest girl. Apparently this bonkable brunette with the sensational 38DD boobs doesn't really have a favourite fantasy as she believes that if you can think about it you can do it. And if you can do it, why waste time thinking about it? We couldn't agree more!

MEET THE WIVES

Sexy Sue from Crawley is 23 years old with a 34-22-35 figure that's just made for pleasure. The blonde beauty's naughtiest desire is to fiddle with a fireman's hose — and she doesn't mind too much which one! Did we hear some-one shout 'FIRE'?

Cute and sexy Trina from Portsmouth confesses that her dirtiest desire is to be covered from head to foot — and everywhere in between — with oodles of cream. Then she wants it all licked off... very, very slowly. Sounds fun to us, Trina, but just what kind of cream would you prefer?



Amanda from Redcar is a backseat driver of a different kind 'cos when she whips off her knicks she drives her man completely round the bend! She has the same effect on us too...

We're paying £20 a shot, so clip out this coupon and send it to us, telling us about your other half, and enclosing your pics to:

fanny

Now the winter's here it's just as well we've got gorgeous girls like Fanny to make us feel warm inside.

"Yeah, I like a big one up me hot hole!" said Fanny, bowling us over with her firm boobs. We wondered if sporting cricket whites meant she liked ball games too.

"I've never tried cricket — with my appetite for long stiff things I think I'd be on a sticky wicket!"

Jenny

"Sofa, so good!" joked Jenny as the buxom brunette spread her pegs over the soft furnishings of her flat in Feltham. "This is my favourite chair, it's seen a lot of action has this setee." 20-year-old Jenny then set about showing *Razzle* readers just some of the positions she's found herself in

"I've bounced off more cushions than a cue ball at the Crucible," laughed the buxom bookie's cashier. "And had a few deep screws and kisses on the pink and all! "

Jenny's a bit like a snooker player when choosing her undies too – she almost always goes for the red.

"It's my favourite colour for stockings, panties, dresses and lipstick," she coos. "It makes me feel so rude!" So when Jenny's in scarlet, and invites you to spend the night on her sofa, take your vitamin pills.

LINZI LIVE! PART NINETEEN

FANNY-TASTIC PLASTIC

"It was a fair old squeeze getting my tits into this tight little number," squealed Linzi, diddling with her dooblies and parting her pussy for us. "But it was well worth the struggle — I feel so sexy and powerful. All I need now is a naughty bloke to come and lick my fanny." So while you argue amongst yourselves, Linzi's got some advice for her female fans. "Listen, girls. If you fancy giving your guy a good time tonight, slip yourself into some PVC and a pair of saucy stilettos like mine — heel love it!"

THE KLAPTOUT FACTOR

At last a test of the mental and physical skills you need to survive a night in the pub — and score at the end of it!

Millie Polly Candy Sue Vida

Mental Agility

You've been in the pub for hours, and you're on the way to being ratted. Then you spot a group of gorgeous girls walking in...

In order to pull, you have to remember girls' names, however pissed you might be. Left to right in picture one are Millie, Polly, Candy, Sue, and Vida. Now cover the caption above and tell us the names of the girls as they appear in picture two.

Physical Ability — The Assault Course

You've lured the pub tarts back to your table, and now it's your round. Nothing makes you look more Klaptout than forgetting what they drink, or taking hours to get it. Here's the test...

You have two minutes to get to the bar, order three pints of lager, two Pernod and lemonades — one with ice and lemon, the other not — one cola with ice, a bottle of Guinness and two packets of salt 'n' vinegar crisps, and carry them back without a tray. One dropped drink and you're Klaptout!

Observation

Time to find out just how pissed you are. Before going on, take a look at the following three pictures. Which one most closely resembles the girl you fancy?

Manual Dexterity

Unfortunately, you've started slurring your words, so conversation is out. The only way to impress your girl is with your hands (no, not that way!). You have three minutes to construct a reasonable facsimile of a *Barratts* starter home out of beer mats, starting now.

General Knowledge

Finally ten tricky questions to test your Klaptout brain power.

1) What is your name?
2) Where do you live?
3) Can you stand up?
4) Can your dick stand up?
5) Can you find a cab to take you both to your place?
6) Can you find the girl you're meant to be taking to your place?
7) Where have you put your keys?
8) Where's the toilet?
9) Where's a clean pair of trousers?
10) Who are you again?

If you can do all this, get off with the girl, answer the questions and drink a dozen pints of lager, then you are a true Superperson, and guaranteed to pull every time you go down the pub. If you can't — tough titties, you're a Klaptout mere mortal like the rest of us!
